

2024 WESTERN & SOUTHERN OPEN SUMMER INTERNSHIPS

Facilities/Operations

- Description:** Rare internship opportunity to assist in running one of the world’s premier professional men’s and women’s tennis events. Each intern is given enormous responsibility which offers great preparation and experience for future endeavors.
- Location:** All internships will take place at the Lindner Family Tennis Center (tournament site) located in Mason, OH (5460 Courseview Dr, 45040).
- Dates:** Internships begin and end based on the individual needs of each position. The tournament has intern openings that begin anywhere from mid-May through early-June. Ending dates will vary, but all candidates must be able to stay through the end of the tournament, Monday, August 19th. These internships can, if the student is available, extend into September/October.
- Qualifications:** Willingness, with a smile, to do whatever it takes to run the absolute best tournament possible. Strong computer and communication skills (oral and written) required. Looking for independent thinkers and problem solvers for all positions. A strong desire to lead, learn and work hard. You must be able to work through August 19 to be considered for any of these internships. Initial Interviews will be conducted using Microsoft Teams (video conference). **Final interviews can be conducted in person at the tournament site or through Teams.**
